Class History

In the fall of 1941 thirty-four new students marched up the stairs with Miss Agnes to begin the first of thirteen years of schooling. They were Bobby Bauer, Blair Baughman, Eileen Birney, Jimmy Boham, Billy Brink, Betty Brown, Glen Chowning, Danny Christiansen, Johnny Coburn, Joseph Cramer, Patty Crandall, Jimmy Cross, Shirley Fouts, Agnes Higgins, Jerry Houston, Marvin Keairnes, Harold Kureger, Winfred Lambert, Mildred Malone, Olive Mae North, Helen Ann Nuzum, Elizabeth Ann Parrott, Ronny Schiltz, DeWayne Siemer, Carmen Smith, Karen Smith, Loren Smith, Wayne Smith, Bruce Tillett, Ronald Williams, Bryce Winn, Barbara Jean Ettleman, Robert Meyer, and Walter Greene.

In kindergarten, we got much of a thrill at sitting at the little tables. After an enjoyable story we always had a nap on our rugs. We will always remember the pretty cakes Miss Agnes drew on the board when someone had a birthday.

In first grade we all remember the Dog House, especially Jim Cross!! We had a new experience in sitting at desks and started to do arithmetic.

In second grade Miss Howorth sponsored a vitamin play which was a lot of fun and gave us a wider knowledge of health. We went to the blackboard and played Cat and Mouse and Going to Town.

Third grade was an exciting year. Every Friday afternoon we had poems and singing. If we had our spelling correct we got to go outside early. When Pat and Karen were sent to the cloakroom to sort papers they usually stalled by sorting them three or four times. Remember the day three girls forgot to hear the bell so they could stay outside and build snow houses? Thanksgiving time we dressed as Pilgrims and Indians and marched through the different grades.

In fourth grade we participated with fifth and sixth grades in giving a Christmas Operetta, "Jack Spratt". We got much of a thrill out of using scratch pens, ink, dictionaries, and workbooks. We also had a flower shower on Miss Riddle.

We started fractions in fifth grade and mastered them thanks to Mrs. Ballentine. We had a fruit roll and a spelling bee with the sixth grade, too.

Our good penmanship can be attributed to Miss Turnland. We started Iowa history and learned the flags of many countries. All of us remember not getting any recess to prepare us for the seventh grade. We had a lot of fun the day we rode our bikes out to McCutcheon's timber for our picnic. "Remember the snake, Jim and Leonard?

In the seventh grade we will remember the lockers in the cloakroom. We had a new experience having two different teachers. Miss Manion had the unfortunate incident of finding a craw-daddy in her lunch basket at the picnic we had in Shumate's timber. Wonder how it got there, Mitchell?

Finally we reached the eighth grade. We had a very nice Valentine Party even though we did have odd food, consisting of pop, ice cream, cherry pie and OLIVES. Civics was a new subject to us. Three girls had to sit in the hall because Mr. Smith thought they had not learned the rules of behavior. Had they, Bette D.? This year ended our exciting adventures and we were about to leave our grade school. The teachers we had in the grades were Miss Agnes, Miss Metcalf, Miss Howorth, Miss Wiggins, Miss Riddle, Mrs. Ballentine, Miss Turland, Miss Manion, Miss Hoffman, and Mr. Smith.

In the fall of 1950 thirty students began high school. They were Dale Beam, Rita Best, Eileen Birney, Clara Mae Bramley, Betty Brown, Joseph Cramer, Jim Cross, Bette Doidge, Barbara Ettleman, Jack Garrett, Clifford Gorman, Jerry Houston, Jackie Lambert, Opal Malone, Richard Malone, Mary Marshall, Leonard Mitchell, James Moore, Arlo McCutcheon, Paul Olsen, Arlen Petersen, Allen Rosburg, Walter Shumate, Karen Smith, Jerome Thompson, Edith Wingrove, Norma Mathys, Shirley Fouts, and Robert McCoy.

Initiation was our first big event in entering Dow City High. We dressed in silly clothes and had a lot of fun. That night the Seniors honored us with a party. Many students went out for band which started that year.

In our Sophomore year we gave a Saint Patrick's party which was a great success. We took part in the Junior-Senior Banquet by serving and entertaining. Some earned letters for basketball that year.

Our Junior year was very eventful. We had much fun in giving our Class Play, "Cracked Nutts". Some of the students also took part in the one-act plays given. We had a big thrill when our class rings came and naturally we thought them the prettiest of any ever seen. We had

many disagreements in planning our Junior-Senior Banquet. Our theme was "Moonlight and Roses" which was a great success. We had much fun on Vocational Guidance Day in Denison.

FINALLY we reached our Senior year. It was filled with many events which started with initiation of the Freshmen. Betty Brown and Karen Smith were pianists for the Christmas Operetta. We had our class pictures taken on January ninth. All of us ate in the dining room of Watje's Cafe. April first was Vocational Guidance Day in Denison. We spent a very enjoyable day visiting the different occupational classes. April second our class went on its Skip Day to Lincoln, Nebraska. There we visited the capitol building, Boys Town and ate dinner at Brandeis. Then we went to various places in Omaha. On May seventh we were guests at a banquet given by the Juniors. Afterwards we went to a show. May sixteenth was Baccalaureate and May twentieth was Commencement. The Alumni Banquet was held May twenty-first and was the grand finale to our thirteen years of school.

Last Will and Testament of the Senior Class of '54

We, the Senior Class of 1954, do will and bequeath our happy years in high school to the Freshmen; our many hours after school with the principals to the Sophomores, and many chances to catch up on our sleep in Government class to the Juniors. To all the future Juniors and Seniors the good times had at play practice.

Karen Smith wills her locker and basketball suit to the one who gets them first; her ability to be true to one guy to Carmen Smith and her typing ability to Olive.

Jerry Houston wills his ability to get around with blondes to Ed Ahart; his Shorthand to anyone who is interested in a snap subject; his French horn and music interests to Bob Marshall and his nights out looking at the moon to Bryce B.

Betty Brown wills her interest in Fords to Marceline Malone; her five pages of Shorthand each day to Shirley North and her long awaited weekends to Karen Buff, who loves school so much.

Richard Malone wills his nights at the Columbia Hall to Tom Houston; his typing ability to Leo Brown; his lonely rides home from school with Mr. Bechen to Terry M.

Eileen Birney wills her figure to Shirley Gordon; her quiet ways to Pearl Putnam and her interests in other towns to Marilyn Soper.

Jack Lambert wills his height to Terry Miller and his nickname "Windy" to Don Thompson.

Bette Doidge wills her Chemistry book to anyone who wants or needs it; her interest in Denison and other towns to Audrey Peterson; and posture to Linda Wingrove.

Jim Cross wills his butch haircut to John Ballantine and his height to "Goose".

Leonard Mitchell wills his always being on the floor during basketball games to Delores Lambert and his figure and size to Bryce Brasel.

Jack Garrett wills his ability to pick arguments with Mr. Butterworth to Burdette Hard; his rides home after school with Mr. Bechen to Donna Malone; and his cold nights after the basketball games to the highest bidder.

Sylvester Head wills his favorite expression to Shirley North; his secret ambition to Carmen Smith; and his boldness to Don Thompson.

Joe Cramer wills his Government book to LaVerne Thomsen; and his size to Linda Lee.

Glenn Petersen wills his good grades in Government to Eddie Ahart; and his ability to go steady to Julius Zimmerman.

Clifford Gorman wills his Government book to anyone desperate enough to take it; and his size to Julius Zimmerman.

Clara Mae Bramley wills the color of her hair and eyes to Marilyn Soper; and her hot temper to Barbara Sharp.

Mary Marshall wills her broken shoestrings in her tennis shoes to Marceline Malone; the tape Coach used on her ankles to Delores Lambert; and her nights in that good old "Chevie" to Shirley North.

Prophecy of the Class of '54

We are now on the Moon, the year 1970. Sixteen years have passed since that brilliant class of '54 has graduated from the Dow City High School. We are wondering what all those talented kids are doing. Let's gaze down at the old Earth and see.

Eileen Birney has fooled us all by staying single and is teaching school in the Ozarks. She has been seen lately with the great love of her high school days.

Karen Smith is doing very well running her chicken ranch. Of course, she has lots of help with her sons. Andy has always been disappointed because they have never had any girls since he has always admired the feminine gender.

Betty Brown has wasted her shorthand and typing ability to marrying Jerry after graduation, but is certainly using her Home Economics knowledge with her two sets of twins.

Leonard Mitchell is now practicing dentistry in Dow City. He followed this profession because of the advice of his Chemistry teacher, Mr. Bechen.

Mary Marshall is happily married and is putting that hope chest of hers to use. She and her husband Norman are living in Charter Cak, but they take their five boys to Dow City School.

Jack Garrett and his wife, Shirley, are doing very nicely with their nightclub. Jack has his own band and Shirley is his featured singer. Larry makes a very good baby sitter for their two children, Norma and Ralph.

Jackie Lambert is doing very nicely with his 600 acre farm. They have two foreign cars and a station wagon. They can afford them as his wife, Martha, is a high-salaried schoolteacher at Buck Grove.

Sylvester Head is an understudy for Liberace. He got the job because of his hair, flashy smile and musical ability.

Jerry Houston finally made up with Marilyn after graduation. They have adopted three children. Their names are Fern, Don, Freida. Those names have such memories of their high school days.

Glenn Petersen has mortgaged his car to provide food for his wife, Norma and their six girls. Since his business in Buck Grove has fizzled out.

Bette Doidge is very famous for her new pill which causes you to lose weight. She gained her knowledge by being a dietitionist of the Memorial Hospital. She has won the love of "Dutch" because she is now a small '90 pound' Bette.

Clara Mae Bramley's love for fast cars, particularly Fords, has gotten her a job driving stock cars. She is now appearing at the Denison fair grounds, with her short blond husband (formerly of Dow City).

Clifford Gorman has used several of Bette's pills and has won the five mile race in the Olympics for two years straight. Clifford is Za Za Gabor's sixth, I believe.

James Cross always had brains to burn but we never thought he'd be the top undertaker of Kenwood. Jim just finished writing a book on "How To Live While Living". Jim hasn't married yet, but still likes his "nights".

Joe Cramer is now starring as Superman over station ZIP. He really has those kids thrilled when he walks through cement walls with no effort at all. His favorite listener is Shirley Gordon.

Dutch Malone is now very excited about his new bride to be, Bette Doidge. He reports that she didn't lose any of her charming personality when she lost her weight.

The Junior Class Play, "His Ozark Cousin" was held on November 6. The play concerns a very well-to-do family who lived in the Ozarks.

After receiving a sarcastic letter from some New York cousins saying they were coming for an old Bible which contained a record of the family tree, the Rankin children and their friends decided to repay the Haines for their remarks, by acting like hillbillies.

When the cousins came to visit the Rankins, they found themselves in the midst of a feud between the Rankins and Starks. But the Haines children caught on to their scheme. They decided to go on with it to pay their mother back for the letter she had written.

Mrs. Rankin, who had been on a trip, returns and explains to Mr. and Mrs. Haines about her children's scheme to get even with her. At the end everyone is forgiven and all are friends.
